Committee: Bill Owens for Congress (C00464495)

Ms. Sugarman,

We write in response to the Commission's letter dated November 2, 2011, regarding the Committee's Amended 2009 12 Day Pre-Special, 2009 30 Day Post-Special, 2009 Year-End, 2010 April Quarterly, 2010 12 Day Pre-Primary, 2010 July Quarterly, 2010 October Quarterly, 2010 30 Day Post-General and 2010 Year-End Reports received 7/5/2011.

You ask about changes in the receipts and disbursements on the reports listed above. Earlier this year the Committee engaged a new vendor to prepare and file its reports. During a review of its reports, the Committee discovered some mistakes in the filings prepared by its previous vendor and subsequently undertook a complete review of its 2009 and 2010 reports. The review revealed that a number of transactions were reported with incorrect dates. When the dates for these transactions were corrected some transactions were shifted into a different reporting period, thus changing the totals on a number of reports. In addition, some transactions had duplicate entries, some transactions were missing from the original reports and a few transactions were reported with inaccurate amounts. To correct the public record, the Committee filed an omnibus set of amendments.

We hope that this information answers your questions. If you need any further information, please contact the Committee.

Respectfully,
Theodore Kowalczyk
Treasurer
